Sir,

In continuation of my No.G. 571 dated 30-5-1910, and in view of the alleged decline of population in Shimoga Mysore, Kadur and Hassan Districts, and in view also of the fact that such decline must be largely due to infantile mortality and the want of care for the mothers in confinement, I have the honor to recommend that Midwives be also appointed to the marginally noted towns in each District which have a population of 2000 and above. These Midwives would also of course be available for service in the neighbourhood of their Head Quarters.
